

Checklist: Choosing a PR Firm in London

Define Your Needs

- What is your industry? (Tech, healthcare, luxury, etc.)
- What are your PR goals? (Brand awareness, media coverage, crisis communication)
- What is your budget?

Research PR Firms

- This blog post highlights 27 PR firms in London. Consider their:
 - Industry expertise
 - Success stories
 - Client testimonials
- Look beyond this list and research other firms as well.

Shortlist Your Options

- Narrow down your options based on your needs and research.
- Consider factors like:
 - Team culture: Do their values align with yours?
 - Communication style: Are you comfortable with their approach?
 - Services offered: Do they provide what you need?

Contact Your Shortlisted Firms

LaAphills

- Reach out to the shortlisted firms and discuss your needs.
- Ask questions about their experience, fees, and reporting process.

Make Your Decision

- Choose the PR firm that you feel is the best fit for your brand.
- Consider all factors before making your final decision.

Bonus Tip

- Pay attention to the firm's use of innovative strategies, like VR experiences or social media campaigns.
