FOR IMMEDIATE RELEASE

TechGenius Inc. Launches SmartHome 360

Revolutionizing Home Automation with Cutting-Edge Technology

San Francisco, CA, May 14, 2024 – TechGenius Inc., a leader in smart home technology, is excited to announce the launch of its latest product, SmartHome 360. Designed to simplify and enhance home automation, this groundbreaking solution aims to bring unparalleled convenience and control to households.

Innovative Features and Benefits:

- **Voice-Activated Controls:** Seamlessly integrate with your favorite voice assistants for hands-free operation.
- **Advanced Security Systems:** Enhanced security features including facial recognition and real-time alerts.
- **Energy Management:** Smart energy usage monitoring and optimization to reduce utility bills.

Customer-Centric Design:

SmartHome 360 has been meticulously crafted with the needs of modern homeowners in mind. Its user-friendly interface and intuitive features ensure that even non-tech-savvy individuals can enjoy its full benefits.

Quote from the Company Executive:

“We are thrilled to introduce SmartHome 360 to the market,” said Jane Doe, CEO at TechGenius Inc. “With its advanced security and energy management features, we believe it will revolutionize home automation and significantly enhance the daily lives of our customers.”

Availability:

SmartHome 360 will be available starting June 1, 2024, and can be purchased online at www.techgenius.com and at major electronics retailers. Early adopters can enjoy a 10% discount for pre-orders placed before May 31, 2024.
