

Lamphills' Webmaster Link Removal Email Template

If you suspect a link is spam and have identified it as one with the intention of removing it, you can send an email to webmaster for this. If you're unsure on how to go about this, the template below might be useful to you.

Subject: Request for Link Removal

Hi [Webmaster's Name],

I hope this message finds you well. I am the owner of [Input the name of your Website here], and I recently discovered a link to my site on your page [Linking Page URL]. Unfortunately, this link is negatively impacting my site's SEO.

Could you please remove this link from your site? I would greatly appreciate your cooperation.

Thank you for your understanding and assistance.

Best regards,
