Instagram Reels Template for High Engagement

1. **Hook (First 3-5 seconds):**
   - **Purpose:** Capture the viewer's attention immediately.
   - **Example:** Start with a compelling question, a surprising fact, or a bold statement.
   - **Script Example:** "Did you know that 90% of viewers prefer short videos?"

2. **Introduction (Next 5-10 seconds):**
   - **Purpose:** Introduce the topic of your Reel.
   - **Example:** Briefly explain what the Reel is about and why it's valuable.
   - **Script Example:** "In today's Reel, I'll share three tips to maximize your Instagram engagement."

3. **Value (Next 20-30 seconds):**
   - **Purpose:** Deliver the main content of your Reel.
   - **Example:** Share tips, demonstrate a product, tell a story, or provide valuable information.
   - **Script Example:** "Tip #1: Always start with a hook. This grabs attention and keeps viewers interested…"

4. **Engagement Prompt (Next 5-10 seconds):**
   - **Purpose:** Encourage viewers to engage with your content.
   - **Example:** Ask viewers to like, comment, share, or follow.
   - **Script Example:** "If you found this tip helpful, hit the like button and follow for more!"

5. **Call to Action (Last 5-10 seconds):**
   - **Purpose:** Direct viewers to take a specific action.
   - **Example:** Provide a clear call to action that aligns with your goal.

- Script Example: "Want more tips on boosting your social media game? Check out the link in my bio!"
